

Welcome to the PowerSchool Parent/Student Portal

<https://powerschool.gsacrd.ab.ca>

Welcome to Greater St. Albert Catholic Schools' Powerschool parent portal. This secure website allows parent and student to access attendance and student information.

Type <https://powerschool.gsacrd.ab.ca/public> in the address field of your internet browser then click on the 'Create Account' button. Once you have entered the required parent information, you will then need to enter the Parent Access ID and Parent Access Password provided below to link your child to your account.

As of December 14, 2015 GSACRD is moving to Single Sign on Parent Portal Login. You can now link multiple students to one account. Powerschool will also now allow multi-user accounts. This means that parents can create their own accounts and link their children to them. The same parent Access ID and Parent Access Password is used.

Please Note: If you currently have an account, it will no longer be valid as of December 11th. You will need to create a new account and add your student(s) to it. Once this account is created, it will stay active as long as your child is with the St. Albert Catholic School District.
